

User Guide: Fellowes Comb Binding Machine

What is it?

The Fellowes Star+ Comb Binding Machine is a light duty binding machine for small office use. The Makerspace offers an assortment of binding comb sizes (15¢ each), for binding letter-size (8 ½ x 11 inch) books.

What can I do?

The Comb Binding Machine manually punches up to 15 sheets of paper at a time, with an enhanced accuracy edge guide that centers documents with ease for pinpoint punching. The result is a tidy, centered binding without any misaligned holes or loose pages.

The built-in comb storage tray with integrated document measurement device helps you select the correct comb size for your binding project.

Binding combs are available in a variety of sizes for 15¢ each for your project needs.

Bind up to 150 sheets with a 3/4" comb.

Bind 120 sheets with a 3/5" comb.

Bind 90 sheets with a 1/2" comb.

Bind 55 sheets with a 3/8" comb

Bind 40 sheets with a 5/16" comb

Bind 20 sheets with a 1/4" comb

What does the Maker Space provide?

- Plastic Binding Combs: 15¢/comb
- Clear Binding Presentation Letter-Size Covers, 8mil: 20¢/sheet
