

Makerspace Policies

[The Library of Things](#) collection includes a list of Makerspace-related and inspired equipment. Items are available for check out.

The Makerspace at Thibodaux Branch Library provides a hands-on creative space for patrons to invent, collaborate, and design as they transform their ideas into reality. The Makerspace is reserved specifically for the use of creating. Patrons may use other areas in the Library to read, relax, or do other work not related to DIY projects.

Eligibility

The Makerspace is open to Lafourche Public Library patrons who hold a valid Lafourche Public Library card.

Adult supervision is required for anyone below the age of 15 years.

Use of Machinery/Equipment

Patrons may check out machines and equipment for use in the Makerspace with a valid Lafourche Public Library card. Patrons are required to bring their own materials to use in the Makerspace. Some materials will be available for purchase to use with specific equipment in order to maintain the integrity of the machinery.

Makerspace Equipment may not be used to create materials that are:

- prohibited by local, state or federal law
- used as weapons
- unsafe, harmful, dangerous or pose a threat to the well-being of others
- obscene or otherwise inappropriate for the Library environment
- in violation of another's intellectual property rights

Projects

The Library is not responsible for failed projects. We reserve the right to halt, delete, or disallow the creation of items that violate Lafourche Public Library policies.
