OVERVIEW

The English Language Arts/Literacy (ELA/L) Assessment measures whether students are on track to be successful in ELA coursework for the next grade level. This report includes your student's overall score and achievement level compared to other students in the same grade.

This test is just one measure of how well your student is performing academically. Other information, such as grades, teacher feedback, and scores on other tests will help determine your student's academic strengths and needs. For more information about the test, interpreting results, and instructional resources, please visit <http://www.louisianabelieves.com/resources/parents-students>.
