IF YOU OR SOMEONE YOU KNOW IS HOMEBOUND...

We Can Help!

HOMEBOUND DELIVERY SERVICES
Participants can either arrange for family or a friend to pick up their requested library items at their nearest LPPL branch, or they can arrange for home delivery of materials.

Any Lafourche Parish area resident temporarily homebound for at least three months can register for the Lafourche Parish Public Library’s Homebound Delivery Service.

To be eligible for Homebound Delivery, the participant must be a resident of Lafourche Parish, and must have a library card in good standing.

Participants must complete an Application for Homebound Services and return it to any Lafourche Parish Library branch (you can mail, email, fax, or hand deliver the application.) A library staff member will contact the applicant if necessary to obtain additional information.

How Do I Get My Items?

- Items are loaned for approximately 21 days. Renewals are allowed for items that are not on hold for someone else.

How Are My Items Selected?

- The Homebound Delivery Application will ask you questions about what kinds of items, topics, and genres you are interested in. Library staff will generally select materials for you by using this information. However, you may place a request for specific items, as well.

What Kinds of Items Can I Borrow?

- You can borrow any of our circulating resources, including books, magazines, DVDs, CDs, and audiobooks.

Overdue fines are not charged for materials loaned under the Homebound Delivery Service. Since participants are responsible for all items checked out on their card, participants will be charged the replacement cost for all items that are lost and/or damaged while in their care. Library materials are considered lost when they are 90 days overdue.

The items loaned through the Homebound Delivery Service are only for use by the participant. Please do not lend the materials checked out to you to others.

- If a title you would like to borrow is not available at the time of the request, a hold will be placed for you.

- Participants can either arrange for family or a friend to pick up their requested library items at their nearest LPPL branch, or they can arrange for home delivery of materials.
